

January School Holidays

Building Buddies 5-7 years

Group programs are a great way to boost your child's therapy participation during the school holidays while also having fun, learning new skills and making friends.

Following on from 'Making Playmates' and 'Building Buddies', we continue to support and extend children's collaboration in play.

Building Buddies facilitates thoughtful negotiation between peers, including sharing and advocating for our own ideas, and responding respectfully to the ideas of others. Children will be supported to create group plans by exploring joint topics of interest, differences in ideas and resolving conflict.

We draw on evidence-based intervention from the following programs:

- Social Communication Intervention Program
- Social Thinking® Hanen
- Talkability Program
- DIR®/Floortime™
- Secret Agent Society Visual supports

Family Support: Our program includes a parent session on day one, a phone call after the program has ended and a written summary report.

Funding: NDIS funding and Private funding can be used. Medicare funding cannot be used for group sessions.
