Christmas Crafts with ESA Christies Beach

Who is the program for?

All clients young and old welcome to join!

What does a session look like:

During the 90-minute session our therapy team will facilitate activities such as making Christmas cards, decorations and wrapping paper. This nurturing environment will be set up to encourage caregivers to work together with their child, with our therapists available to support as needed.

Skills the session will support:

- Social skills
- Fine motor skills
- Executive functioning

Session cost:

\$200 per child, which includes 4 take home Christmas crafts made during the session
