Junior Lego Build Club

Tuesday 14th, Wednesday 15th & Thursday 16th January 2025

Lego Build Club is a structured small group program in which each child is given a specific role: the Builder, the Engineer, or the Supplier. The three sessions enable each child to have a go at each role and the different skills each role uses.

Age: 6-8 yrs

Cost: \$566

**Venue: Early Start
Australia, Ashmore**

**When: Tue 14th,
Wed 15th & Thu 16th
January 2025
10am - 12pm**

The goal of the group is for the participants to work together to construct a Lego model. The use of structured roles provides an opportunity to practice different types of communication and social skills within a group setting.

Skills practiced in the Lego Build Club include:

- Communicating with peers
- Following and giving instructions
- Turn taking
- Following rules
- Fine motor when handling the Lego parts
- Visual perception when finding and assembling Lego
- Executive functions such as impulse control, problem solving, and planning
