This January, join our Phonological Awareness Holiday Program, specially crafted for children aged 4-8.

Led by our experienced speech pathologists, the program incorporates engaging and interactive activities designed to:

- Foster an interest in sounds and word play.
- Explore key elements such as rhyming, syllables, and sound identification.
- Encourage early literacy skills in a fun and supportive group setting.

This group offers a great opportunity for your child to engage with peers while exploring foundational language skills in a playful and encouraging environment.
