Help your child develop essential social skills this January in our Social Skills Holiday Program at South Morang clinic.

This group designed for children aged 4-10. Led by our experienced Speech Pathologists, this engaging program focuses on empowering children to:

- Enhance conversational and listening skills.
- Build confidence in group settings through role-playing and interactive activities.
- Understand and respond to social cues effectively.
- Foster meaningful friendships in a supportive environment.

Through fun, practical exercises, children will develop the communication tools they need to navigate social situations with ease and confidence.
