Come and join the sweetest mystery hunt of the year! A thief has stolen chocolates from the local shop, and it's up to you to crack the case. Clues have been left behind, and it's your job to follow the trail and bring the stolen chocolates back before they disappear!

Clinicians will support your child to work towards the following goals:

- Problem solving; initiating possible ideas to solve.
- Executive functioning; planning, organising thoughts, being flexible and changing ideas, staying on task, working memory, time management, perseverance and self control.
- Working together with others to solve problems; sharing ideas, listening, supporting and taking notice of others.

Our clinic will provide chocolate eggs, so let us know any dietary requirements or allergies.
