

Easter Craft Group

Early Start Australia Strathpine is offering an Easter Craft in a peer group these upcoming school holidays.

This session is designed for children **aged 5-10 years** who may have difficulty building friendships, interacting and socialising with peers and working in a team and would like to build skills in this area.

Children will participate in a range of Easter craft activities, which they can take home at the end of the session.

The Easter Craft Group is a strengths-based program that aims to use children's innate creativity and imagination, as well as their interests to develop communication and social skills and build friendships in a fun, safe and supportive environment.

This group will be facilitated by an Occupational Therapist and Speech Pathologist.
